In the morning we went to treasure island over there we found some gold coins and a map we followed were the map told us to go and.....

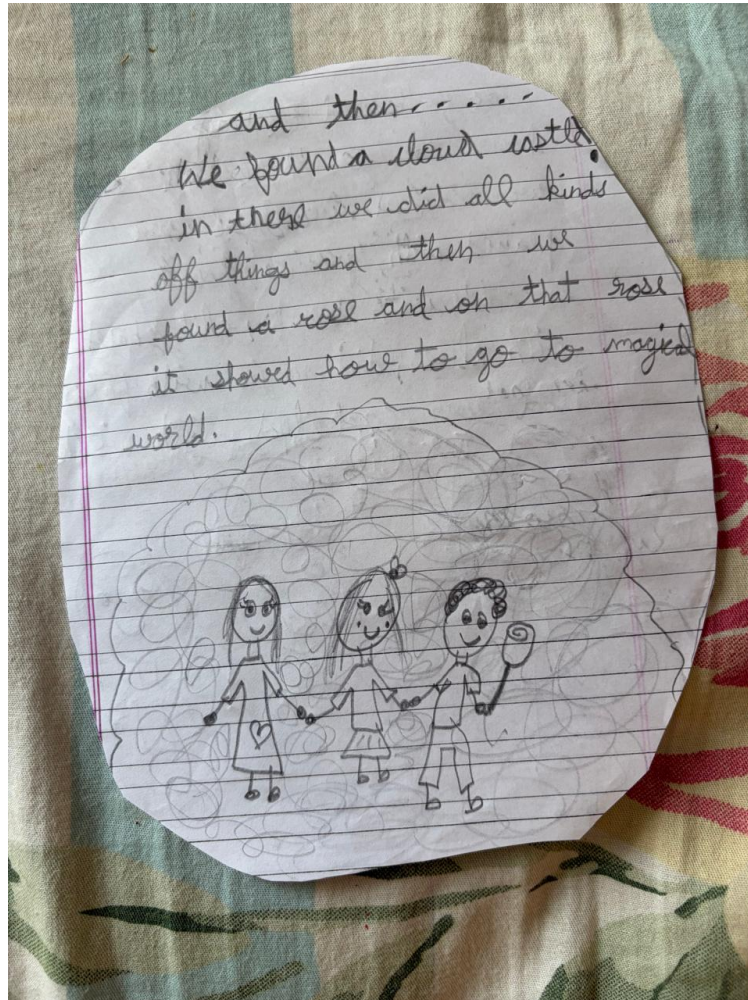

Page 8: Centre of the Earth

We reached to the centre of the earth over there we saw cave people, vikings, pirates, dinosauses and even dragons so we quickly hid behind some bushes and then walked away.

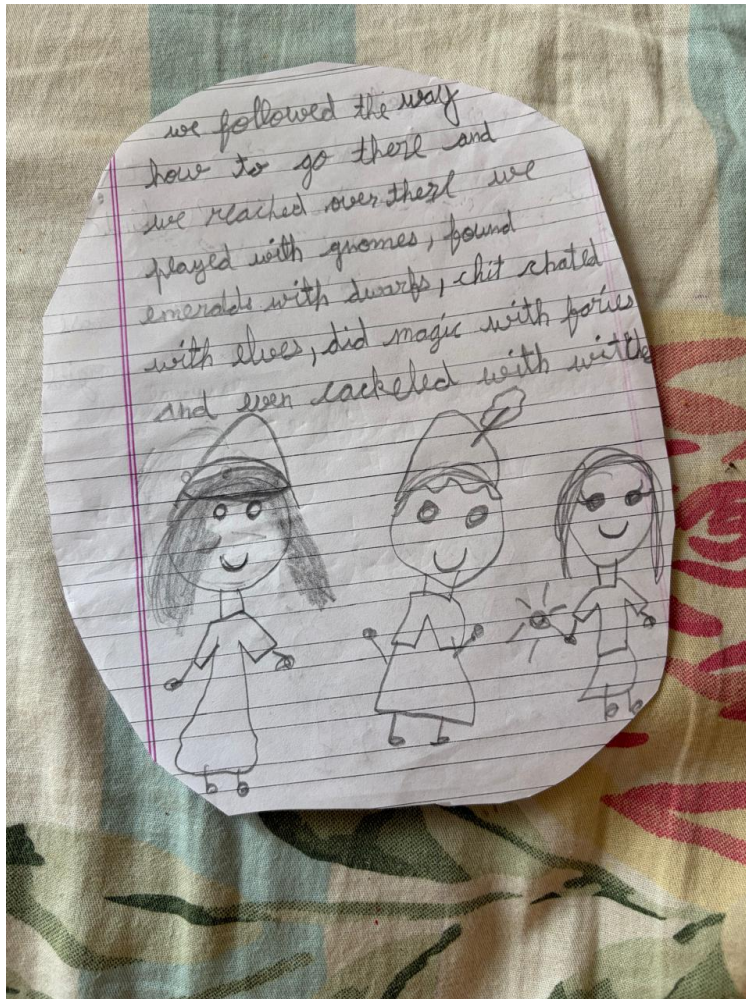

Page 9: The Cloud Castle

And then..... we found a cloud castle in there we did all kinds of things and then we found a rose and on that rose it showed how to go to magical world.

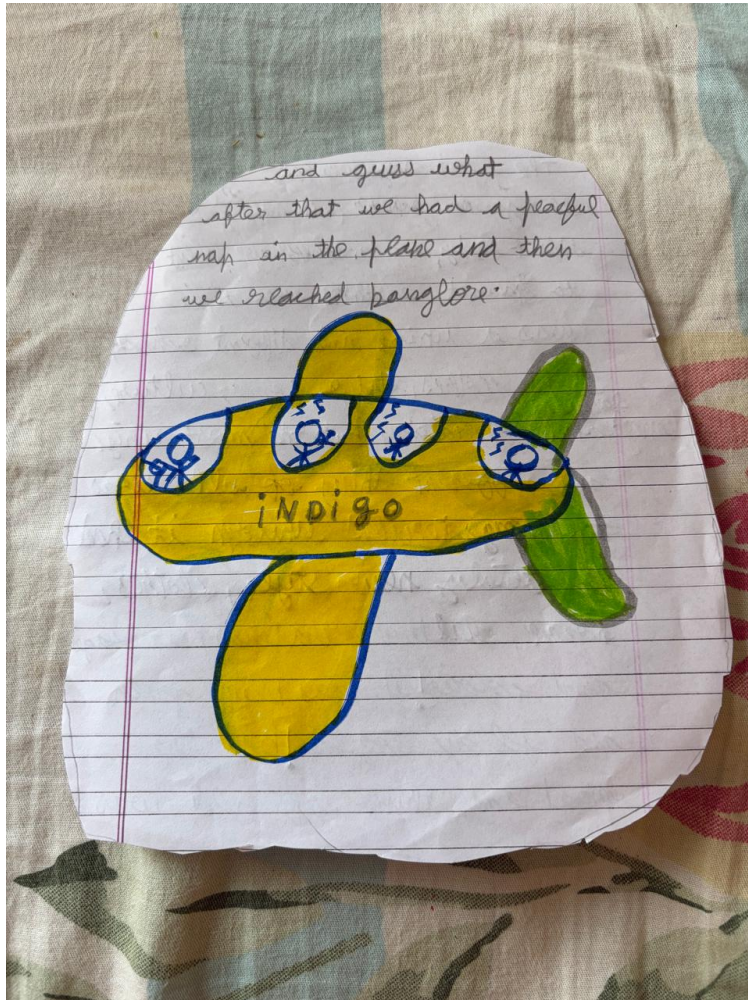

Page 10: The Magical World

We followed the way how to go there and we reached over there we played with gnomes, found emeralds with dwarfs, chit chated with elves, did magic with faries and even cackeled with witches

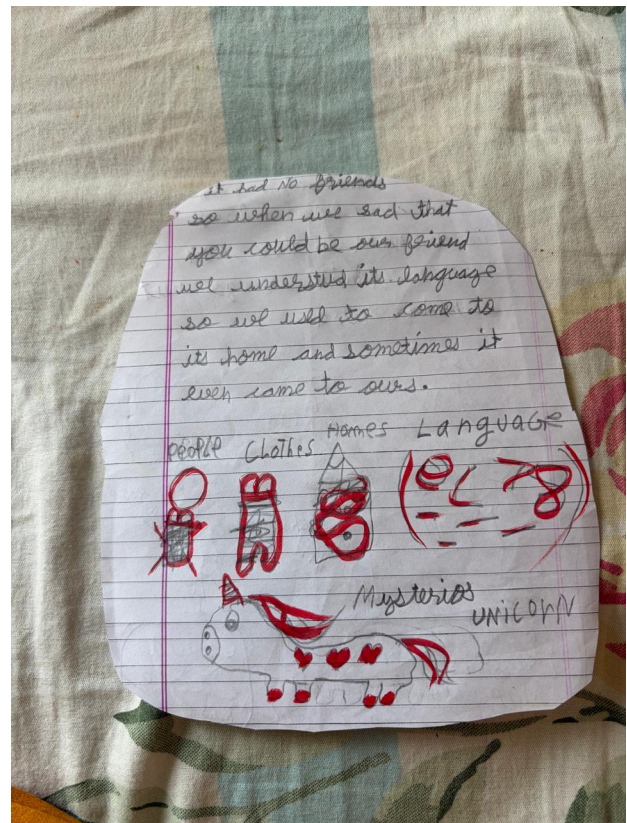

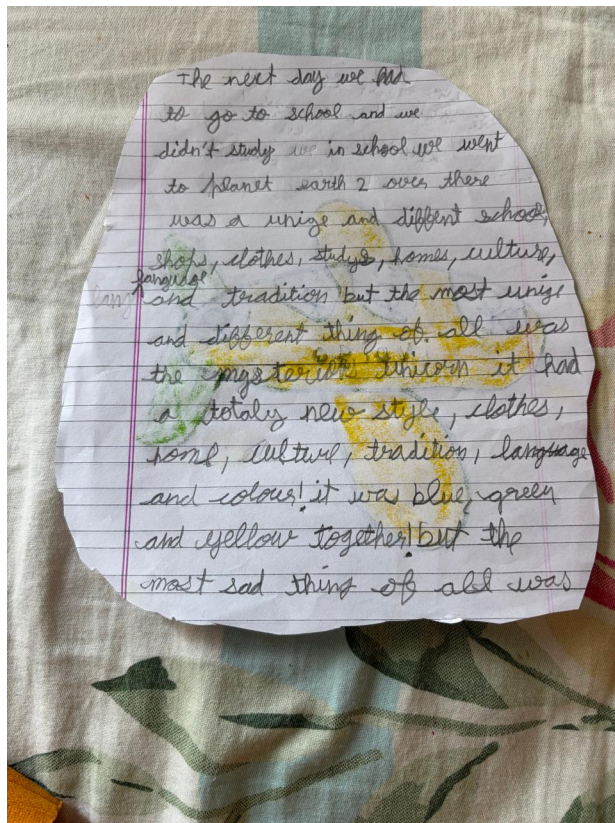

Page 11: Flight Home to Bangalore

And guess what after that we had a peaceful nap on the plane and then we reached banglore.

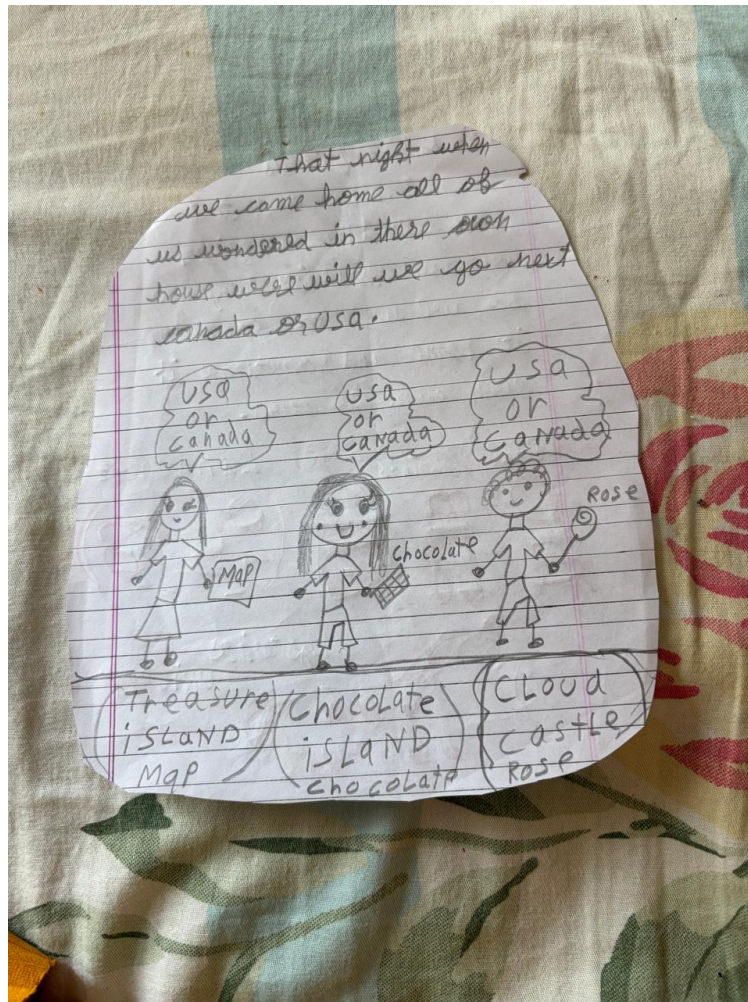

Page 12: Planet Earth 2 & Mysterious Unicorn

The next day we had to go to school and we didn't study in school we went to planet earth 2 over there was a meige and diffent school, shops, clothes, studys, homes, culture, language and tradition but the most meige and diffent thing of all was the mysteriouse unicorn it had a totaly new style, clothes, home, culture, tradition, language and colour! it was blue, green and yellow together! but the most sad thing of all was it had No friends so when we sad that you could be our friend we understud its language so we used to come to its home and sometimes it even came to ours.

Page 13: Where to Next?

That night when we came home all of us wondered in there own house were will we go next canada or USA.
